

3G Android Smartphone

Idea Zeal dual-SIM phone is based on Android platform with 1GHz Qualcomm Snapdragon processor

After launching a slew of Android smartphones, Aurus and Ivory, telecom company Idea Cellular has introduced its latest smartphone device, dubbed Idea Zeal, in India. The phone joins company's growing Android portfolio.

Talking about the specifications, Idea Zeal comes with an 8.8cm (3.5-inch) display and runs Android 2.3 aka Gingerbread, making it pretty much an entry-level smartphone. It is powered by a 1GHz processor, coupled with 256MB RAM. The phone supports dual-SIM connectivity, 3G, Android and also comes fitted with a 3MP rear camera, internal storage of 512 MB and microSD card slot for memory expansion.

Other smartphones in Idea's Android portfolio include Idea Ivory, Aurus, ID-918 and Blade.

Idea is offering promotional pack of ₹ 261 with Zeal that comes with 1GB free data every month for first three months and also free Idea TV for first three months.

Price: ₹ 5390

HD LED AIO With Built-in Battery

HCL Beanstalk AIO comes as a robust PC that is also suitable for small businesses

HCL Infosystems has launched three new models of HCL Beanstalk All-In-One (AIO) PCs for the Indian market. The three new models ADV10040, ADV10042 and ADV10038 are priced at ₹ 33,500, ₹ 40,000 and ₹ 43,000 respectively.

The range offers 54.6cm (21.5-inch) screen with frameless design

and an in-built battery, together, in one product. HD LED backlit display, anti-glare display, Intel Core/Pentium CPU options, SATA 6.3cm (2.5-inch) HDD, hinge-design for multi-view angle and an in-built battery that lasts over 1.5 hours are some of the other highlights of the HCL Beanstalk All-In-One (AIO) PC series.

HCL Beanstalk AIO series is powered by second generation Intel core processors, 500 GB HDD, 2GB RAM and integrated Intel HD graphics. Other features include anti-glare display, integrated stereo speakers, 1.3MP webcam, four USB 2.0 slots, 4-in-1 multi-format card readers, HDMI, Wi-Fi, Bluetooth and Windows 7 home premium.

The HCL Beanstalk AIO PC comes with three-year worth McAfee anti-virus and an edutainment kit.

Price: ₹ 33,500, ₹ 40,000 and ₹ 43,000

3-port USB Hub and Card Reader Combo

Portronics' Just Inn is 180-degree rotatable, a feature which makes it even more useful as a portable device

Portronics has launched Just Inn-3 port USB hub and a card reader combo. The portable device is as small as a finger and has been designed keeping in mind the demand for multitasking functions in today's era.

There is no hassle of any wires in Just Inn and, as the name suggests, it has to be 'just in' the USB slot. It accommodates all types of laptops with

vertical and horizontal USB slots.

There is also an option to choose as per your laptop colour and taste. Just Inn supports USB 2.0 and high-speed data transmission up to 480Mbps. It is compatible with the latest operating systems like Windows 7/8/vistas, Mac OS 9.2 and Linux.

Just Inn is available in blue, black, pink and white.

Price: ₹ 399
