Rocks

Delhi Edition

22 Feb, 2014 • Hall #6, Pragati Maidan

We will take you all the way through engineering serious electronic designs, automating everything around you, and 3D printing your road to glory!

Come to eRocks Delhi.

A special conference for anybody who wants to dive into the world of building real hardware, for the Internet of Things (IoT).

Limited seats available now.
Register today to reserve your seat.
