

Sleek and Stylish USB Flash Drive

The **Cruzer Force USB Flash drive** makes it easy to back up, transfer and share your files

SanDisk Corporation has launched the **Cruzer Force USB Flash drive**, designed with a durable metal casing. According to the company, the ultra-thin **Cruzer Force USB Flash drive** lets you carry your important data wherever you go and keep your private files private while leaving the rest of the drive available for sharing.

Consumers can store their data with ease on the **Cruzer Force USB Flash drive**, which enables you to protect and secure private files with included **SanDisk SecureAccess** software. It is now available with a five-year warranty.

Price: ₹ 749 (8GB) and ₹ 2180 (32GB)

Wireless Stereo Bluetooth Speaker

Portronics' **Pure Sound BT** delivers full stereo sound that enthral's you to enjoy the music on your Bluetooth-enabled devices with the freedom of wireless connectivity

Portronics has launched its new version of wireless stereo Bluetooth speaker—**Pure Sound BT**. The **Wireless BT** frees you from the hassles of your ear phones while you listen to music and streaming mobile content from your mobile phone, tablet, MP3 etc.

Despite its compact size, the **Pure Sound BT** speaker is said to bring soaring highs and deep, booming bass to every room in the house. You can ideally have a distance of 10 m between the mobile phone and the speaker. **Pure Sound BT** is powered by a pair of proprietary acoustic drivers, unmatched in their ability to produce extreme high and low frequencies from stereo speakers.

Price: ₹ 2499

The lithium-ion battery enables you to blast music for up to 10 hours on one charge, making it the perfect Bluetooth speaker for your mobile phone, MP3/MP4 and tablets. Charging takes about 3 hours with the included USB cable.

Don't be disappointed if your device does not support Bluetooth, **Pure Sound BT** will work by connecting the **Aux** cable to the mobile phone or any tablet. It will also allow you to play music through **USB drives** and **Micro SD card** with quite ease.

With a powerful, built-in microphone, **Pure Sound BT** frees you to share crisp, clean-sounding conference calls anywhere—in the office, car, at home, alone or with a group.
