M42 TRMS

- 4000 Count LCD Display
- mV Range with 1000MΩ input impedance.
- 20A AC/DC current with overload protection.

M41 Average

- 4000 Count LCD Display.
- Rugged Mechanical and Electrical Design.
- Temperature measurement (-20°C - 1200°C).

M21C handy

- 2400 count LCD Display.
- 0.5% basic Accuracy.
- Continuity measurement with audiovisual indication.

M63 TRMS

- 6000 Count LCD Display.
- AC/DC Current up to 20A.
- DC mV range facility.
- Suitable to work in high energy intensive and tough environment.

M65 TRMS | Dual Display

- 6000 Count LCD Display.
- 0.25% basic DC Voltage accuracy.
- 1000 V AC/DC measurement.
- μA measurement range facility.
