

domestically manufactured electronics goods in procurement by central ministries, a meeting was held by the Department of Electronics and Information Technology (DeitY). The meeting was chaired by Dr Ajay Kumar, joint secretary, DeitY, on February 20, 2013.

According to information revealed in the DeitY newsletter, representatives from DGS&D, NICSI and over 12 different Central ministries/departments participated in the meeting. It is worth mentioning here that the Department of Telecom (DoT) has so far notified 23 telecom items and DeitY has notified five IT items for which preference needs to be provided to domestic manufacturers, when the Central ministries/departments and agencies make procurement of these items.

Sri City, ELCINA sign MoU for electronics cluster

Sri City and ELCINA have signed a memorandum of understanding (MoU) to set up an electronics hardware manufacturing (ESDM) cluster in Sri City, South India's largest integrated business city consisting of a special economic zone, domestic tariff zone and a free trade warehousing zone. Sri City is located in the Nellore district of Andhra Pradesh.

The MoU will felicitate members of the association along with other electronics manufacturers to set up facilities that can help address the domestic and export market.

DeitY creates 'Japan Help Desk' to facilitate Japanese investments in India

Taking a step ahead in the direction of building a stronger relationship with Japan, Department of Electronics and Information Technology has established a 'Japan Help Desk.' The help desk aims to facilitate Japanese investments in India.

The help desk comes as a part of efforts being made by DeitY, which is trying to attract investment in electronics hardware manufacturing (ESDM)
