electronics
Rocks
Delhi Edition**
20-22 Feb, 2014 • New Delhi

After a very successful Biore edition, Rocks will be back on the scene with a new focus on the electronics industry. The Rocks India 2014 Showcase Pavilion for design engineers & design houses will be seen again, with interesting LIVE applications.

LIVE SMT LINE

Thousands of visitors lined up this year, to see a one of its kind demo. We bring it back next year, with more exciting features.

Conference on LED Manufacturing
For all those entrepreneurs with an interest in LED manufacturing in India, this will be the most useful conference in 2014.

CEO Conclave

Industry stalwarts and policy makers will be here to discuss the challenges and opportunities in the Indian electronics industry needs right now.

Virtual Expo

The Indian electronics industry is already talking about this. The virtual feature will make it easier for international and overseas buyers to see the expo and interact with exhibitors - from their desktop!

Buyer Seller Meet

The easiest and most convenient way of meeting buyers and suppliers will be available through the process made simple with the use of technology.

LIVE applications
The Rocks India 2014 Showcase Pavilion for design engineers & design houses will be seen again, with interesting LIVE applications.

The EFY Expo 2014 will pack all this, and more, over three days at one venue.
