SONY INDIA

Rs 80,000 mn (2012-13)

Sony India is one of the most recognised and trusted consumer electronics brands in the country. A 100 per cent subsidiary of Sony Corporation, Sony India has its footprint across all major towns and cities in India. In June 2013, Sony launched its flagship Xperia Z smartphone in India.

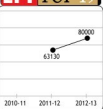

Sony has also launched a new handset dubbed Xperia C, a dual SIM smartphone, which is listed on several online retailers for pre-order while it is slated to hit the retail shelves in October. Aiming to be one of the major players in the smartphone segment, Sony is confident that with its product, branding, distribution and marketing strategy, it will capture a 20 per cent market share in the next fiscal year (through March 2014).
