

KARBONN MOBILES

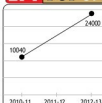

Rs 24,000 mn (2012-13)

Karbonn Mobiles commenced its operations in March 2009 and today is one of the leading mobile phone brands in the country. The company is a joint venture between Delhi-based mobile handset distributor, the Jaina Group and the Bangalore-based multivision telecom group, UTL. Karbonn Mobiles, which offers handsets at quite an affordable price, claims to be among the top three mobile vendors in the country. Equipped with the latest technologies and innovative features, Karbonn smartphones offer stiff competition to the leaders in the Indian smartphone market, including Samsung and Micromax. In September 2013, the company launched a range of exciting budget smartphones including the most popular dual-SIM A6 handset.

EFY TOP 39**SYNTEL TELECOM LTD**

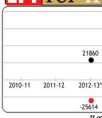

Rs 21,860 mn (2012-13)

SynTel is the telecom division of Avind Ltd, a flagship company of the Ahmedabad-based Lalbhai Group. Avind's telecom operations commenced in 1989 as a C-DOT licensee for public and private switching equipment. In the nascent years, the company made a major mark in establishing itself as one of the largest manufacturers of the 256 port rural automatic exchanges. SynTel Telecom is the first Indian PBX company to be ISO 9001 certified. Today, it is a leader in the business communication solutions landscape, offering a range of IP, ISDN, digital and analogue EPABX-based solutions.
