## KWALITY PHOTONICS PVT LTD

Kwality Photonics Pvt Ltd is India's largest producer of LEDs, LED displays and opto electronic products. Kwality is not only among the pioneers in the field, being the first Indian company to have successfully established LED production in India but also commands the highest market share in domestic sales. This could be attributed to the fact that the firm is led by noted scientist engineer and expert in LEDs—Vijay Kumar Gupta, the CEO who has been associated with LED manufacturing technology for over 30 years with reputed institutions like IISc, BARC, TIFR and Central Electronics Ltd.
