KWK RESISTORS INDIA PRIVATE LIMITED

Established in 2013, KWK Resistors India Private Limited is a joint venture between three leading power resistor manufacturers—K.S. Instruments Pvt Ltd, India; Krah Group, Germany; and Widap, Switzerland. Within two years of being in existence, KWK has managed to grow into one of the largest and most preferred designers and manufacturers of power resistors. The company today supplies resistors for applications that range from power electronics and medical equipment, to aerospace, transit, and LED drivers. In fact, KWK resistors are present pretty much everywhere that resistors are used!!
