

## ZenFone 2 by ASUS

The world's first 4GB RAM smartphone

ASUS Zenfone 2 is great for multitasking as it lets the user switch between heavy apps with ease. It features 64-bit Intel Atom 2.3G CPU, 6430 PowerVR 533MHz GPU, 64-bit dual-channel 4GB RAM, Android 5.0 Lollipop, 60ms touch responsiveness, 5-mode positioning, 802.11ac 433Mbps Wi-Fi, 13.9cm (5.5-inch) FHD screen, 13MP rear camera and 5MP front camera, among others.

ASUS BoostMaster technology is an ASUS-exclusive technology that charges the battery much faster than traditional devices. With ZenFone 2, you can recharge your battery up to 60 per cent of capacity in just 39 minutes.

**Price:** ₹ 29,999 for 128GB variant

## PowerShot SX530 HS camera from Canon

A compact, superzoom camera

This 16MP (4:3 aspect ratio) camera from Canon is fantastic for long-range photography. It features a 50x zoom lens and superior ergonomics that include a comfortable grip and form factor designed for maximising stability when zooming in for a shot.

PowerShot's class-leading 50x optical zoom that ranges from 24mm to 1200mm (35mm equivalent) can be further extended to 100x zoom using Canon's Zoom-Plus technology, which makes it a perfect camera for travelling.

Other features include Wi-Fi, near field communication (NFC) (dynamic type) and

zoom framing assist buttons (seek and lock).

The camera weighs 418gm and has a 7.6cm (3-inch) type, TFT colour LCD monitor with a wide viewing angle.

**Price:** ₹ 21,995

## Boat launches BPR 88 power bank

For the style-conscious

The stylish, lightweight power bank from Boat is shock-proof and drop-proof. Dual USB ports on the power bank allow two electronic devices to be connected and charged simultaneously. It has 3.4A output and features multi-safety protection, LED indications and 2A input for fast charging.

The power bank is available in many vibrant colours such as pink,

red, blue, green, black and yellow.

**Price:** ₹ 3299
