New Ultra Compact Size 3-5W AAF-03/05 Series Household and Industrial Application AC-DC Power Supplies

Ultra Compact Size 1.0 x 1.0 x 0.64" (25.4 x 25.4 x 16.3mm)

- Fully Encapsulated Plastic Case for PCB, Chassis Mounting Version
- Universal Input 85 - 264VAC
- Protection Class II as per IEC/EN 60536
- I/O Isolation 3000VAC with Reinforced Insulation
- Operating Ambient Temp. Range -25°C to +70°C
- Overload/Voltage and Short Circuit Protection
- Designed-in EMI Emission meets EN55011/22 Class B & FCC Level B
- Designed-in EMC Immunity meets EN61000-4-2,3,4,5,6,8,11
- Eco Design, Low No Load Power Consumption < 150mW
- Safety Approval to UL/cUL/IEC/EN 60950-1, TUV IEC/EN 60335-1 & CE Marking

Market Applications

Smart Electrical Grid • Household Equipment • Inspection/Testing Equipment • Control Equipment • Measurement Equipment
Data Communication System • Manufacturing Equipment

1-5W

SIP Package

1-6W

SMD Package

1-10W

DIP Package

10-25W

1"x1" Package

12-50W

2"x1" Package

20-60W

Chassis & DIN-Rail

10-75W

Railway Approval

1-20W

Medical Safety

0.5A

Switching Regulator

2-60W

AC-DC Power Supply
