EE Corporation, Japan

The New World Standard for Power Quality Analysis

Try beating these :

- Record time plot, events and waveforms simultaneously
- Compliant to IEC 61000-4-30 Edition 2 CLASS A
- 2MHz sampling rate for transient overvoltage
- Auto recovery from power failure
- Touch and go with pre-programmed mode

3197

POWER QUALITY ANALYZER
High Performance Handheld PQA

PW3198

POWER QUALITY ANALYZER
Class A Power Quality Testing

PW3360-21

CLAMP ON POWER LOGGER
Compact and Easy-to-Use

PW3336/PW3337

AC/DC POWER METER
High-precision, 3-Channel Power Meter
with 0.10% Accuracy

POWER QUALITY ANALYZER
PW3198
