Hands-on Training for Skill Development

At YOUR Premises and YOUR Convenience

EFY
TECHCenter

Do you wish to train your personnel or students, especially in newer subjects? EFY can help you in doing so through its team of specialist trainers.

EFY has been running an electronics lab since 40 years and has been conducting hands-on training regularly since 2008. It has thus, over the years, gained the expertise to help on a larger scale.

The subjects being offered at present include:

- Arduino
- Raspberry Pi
- PIC18F4520 Microcontroller
- Atmega 16 Microcontroller
- PCB Design
- Robotics
- VLSI Design
- Basics of electronics
- Embedded C Plus RTOS

While more subjects are being added to the list, you may send your suggestions and requirements for the subjects.

Contact: efytech@efy.in or Call: 011-40596600, or 011-26810601 thru 603

And let us know the number of persons you want us to train, location, approximate dates and the subject(s) for training.
