

TABLE II
Price List of Common ESD Tools

Item description	Manufacturer	Part number	Price*
 Brushes. Conductive plastic handle (10^4 - $10^6\Omega$); remove dirt on PCB or other sensitive components and discharges static electricity to ground	MULTICOMP	154-0141	₹ 922
 Cutters. Precision pliers for ultra-fine cutting work; discharge electrostatic energy correspondingly slowly and under control to protect endangered components	KNIPLEX	78 03 125 ESD	₹ 4090
 Drivers. Handle anti-static ESD-safe material (10^4 - $10^6\Omega$), allows for safe controlled dissipation of static build up	WIHA	27790	₹ 7903
 Hex drivers. Ten pieces set, 1-bit holder 813 R ESD Kraftform with quick-release chuck rapidaptor	WERA	KRAFTFORM-KOMPAKT 11- ESD	₹ 4333
 Inspection. Quality magnifying lamps and task lights designed for demanding professionals. Models available with fluorescent and LED lighting	AVEN	26505-ESD	₹ 20,127
 Lifters and pickup tools. Vacuum placer that enables you to place SMT components on PCBs quickly, easily and safely	ERSA	SVP100	₹ 8540
 Pliers. Precision pliers for ultra-fine assembly work like gripping, holding and bending; dissipative	KNIPLEX	35 22 115 ESD	₹ 4494
 Screwdrivers. Tri-lobe handles for comfort in use and effective delivery of torque, electrostatically dissipative	CK TOOLS	T4725ESD 03	₹ 455
 Stripping tools. Special tool steel blade, hardened for long-term cutting performance, electrostatic discharging handles	CK TOOLS	T3895	₹ 2200
 Tape guns. Used with Wescorp and other brand anti-static tapes, groundable housing and hardware, stainless steel construction	VERMASON	242256	₹ 19,135
 Torque drivers. Adjustable torque screwdrivers with rapidaptor	WERA	7440 ESD	₹ 11,058
 Tweezers. Tips do not spread under pressure, no contamination, non-magnetic, static dissipative (10^4 - $10^6\Omega$)	AVEN	18517	₹ 265
 Soldering irons. 24V, 50W, approximately 38-second heat up time, 100°C - 450°C	WELLER	LR 21 ESD	₹ 21,871
 Soldering stations. 48W, 150° to 450°C , display with precision five per cent, 600Hpa to 1000Hpa	DURATOOL	D00678	₹ 6011
 Desoldering pumps. Electrical resistance $10^6\Omega$, heat-resistant and conductive carbon fibre nozzle	DURATOOL	D01699	₹ 1723
 Heat guns. HG 2510 ESD programmable heat guns are designed for use on electronic components to prevent potential damage from ESD	STEINEL	34890	₹ 38,149
 PCB assembly jig. Ideal tool for fitting PCBs with components; holder can easily be demounted in single parts and reassembled in different combinations	IDEAL-TEK	PCSA-1	₹ 27,132
 Vacuum cleaners. Made entirely of conductive impact resistant polypropylene, high suction power of 1500mbar	VERMASON	VER-26996	₹ 44,312
 Anti-static storage. Products constructed of special plastic containing carbon fibres, making the product permanently anti-static, which will not diminish over time or through intensive use	RAACO	PSB4-32 ESD	₹ 6046
 Boxes. Manufactured from Corstat conductive corrugated fibre board, cost-effective method of shipping chips and small electronic devices	CORSTAT CONTAINERS	CH-10	₹ 193
 Cabinets. Conductive cabinet with three drawers	LICEFA	A1-4/3 ESD	₹ 10,175
 Cases. Plastic case, vacuum formed inserts	LICEFA	K 2004 ESD	₹ 1507
