

VEDA IIT is an industry driven world class institute of excellence in the field of VLSI and Embedded System Design. It is "The Institute" chosen by APSCHE, JNTUH and a group of consortium companies to conduct a first of its kind industry participated MS program in VLSI Engineering with degree awarded by JNTUH. Since its incorporation in 1997 VEDA has been the forerunner in providing career opportunities and in helping build the competencies to work on the latest nanotechnologies and high performance chip and embedded system designs.

VEDA is conducting a Written Test and Interview at national level for the following opportunities.

MS in VLSI Engineering

Unique Features

- 4 Semester Full-Time Programme that includes Internship to work on live projects at AMD/SoCronics in last 2 Semesters.
- Program conducted in State of the Art design house environment.
- Hands on experience with the best in class tools from Leading EDA Vendors.
- 100% Placement track record.

Program offered exclusively by

JNTUH & VEDA IIT

In collaboration with

Eligibility

- B.E. / B. Tech. / M.E. / M.Tech. / MS in Electronics / Electrical / Computers / Communications / Instrumentation with an aggregate of 55% and above.
- Final Year Students awaiting results may also apply.
- Admission based on performance in Entrance Test and Interview.

Important Dates

- Online applications must be submitted on or before May 18, 2010 at www.vedaait.com
- DD for Rs. 300/- in favour of VEDA IIT, Hyderabad should reach our office by May 18, 2010.
- Entrance test on May 22, 2010 at 10.00 AM.
- Venue: Jawaharal Nehru Technological University Hyderabad (JNTUH). (Full details will be provided in the Hall Ticket.)

Job Recruitment

for Engineer Trainees

- VLSI Logic Design
- VLSI Physical Design
- Embedded System Design
- Analog & Mixed Signal Design

to work on Challenging Projects at AMD, SoCronics & Incube for only those having flair for Technical Excellence

Selected Candidates will undergo 4 to 6 months sponsored Training in related domain at VEDA IIT.

SoCronics incube

Technology Partners
