DEALER ENQUIRIES SOLICITED

INDUSTRIAL TRAINING

Powered by Experts Having 12 Years Experience in Hi-End Technologies

— Embed our Passion in your Career —

Courses Offered For B-Tech Students:

• 6 Months • 6-8 Weeks

- Diploma in Electronic Product Design
- Diploma in Mechatronics Engineering
- Diploma in Embedded Systems
- Diploma in VLSI Design
- Fundamental Course in Embedded System
- Software Simulation and Modeling Tools
- Robotics
- PCB Design (EDA Tools)
- Verilog /VHDL
- C/C++

Total Practical Training
and Project Guidance by
recognised Industry Expert

FREE
Robotic / Development Kit,
Printed Material & DVD's

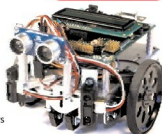

List of our in-house Developed Commercial products:

- Multicolor LED Graphic Display
- LED Video Display
- Current collection device
- GPS tracker
- Passenger information system
- Development Kits, Programmers and many are in pipeline

Our team members and promoters have rich experience of development in India's top most organizations and our team is one of the best in region...

Book your seat today... Free Online Registration 50% OFF for Toppers

Project Certificate From ISO 9001:2000 Certified Pvt. Ltd. Company
