

Power Up Your LEDs

## RGB LED Driver Series For LED Architectural Lighting

### Two-Wire, Long Distance Transmission (2 Meters between 2 Clusters)

- Simple** Two-wire transmission protocol to support 1024 RGB clusters
- Smart** A-Token (Addressing Token) topology with self-alignment addressing
- Flexible** Achieve 65,536 gray scales at 10-bit data bandwidth
- Reliable** Phase - Inverted CLK to assure signal integrity after long distance transmission

| Part No. | Channel | Output Current | Sustaining Voltage | Supply Voltage | S-PWM   | Built in LED | Signal Integrity          | Transmission Interface | Reset Package  |
|----------|---------|----------------|--------------------|----------------|---------|--------------|---------------------------|------------------------|----------------|
| MBH020   | 3       | 5-50mA         | 17V                | 3-5.5V         | 16 bits | ---          | Phase-Inverted Output CLK | 2 wires                | SSOP16 / QFN12 |
| MBH024   | 12      | 5-50mA         | 17V                | 3-5.5V         | 16 bits | ---          | Phase-Inverted Output CLK | 2 wires                | SSOP24 / QFN16 |
| MBH030   | 3       | 5-150mA        | 40V                | 5V, 7-30V      | 16 bits | V            | CLK Repetition            | 2 wires                | SSOP16 / QFN16 |

## Audit Telephone Conversations

Xtend Voice Logger enables your business to reach its maximum potential with accurate tracking of telephone interactions. Monitor real-time calls and audit voice records to streamline service and enhance customer satisfaction.

### Product Range

**Analog** 1/2/4/8/12/16/.../128 Ports & More

**Digital** Supports ISDN PRI, R2MF, Digital PBX Extn.

Call Centers  
Financial Firms  
Security Agencies  
Travel & Hospitality Sector  
Business Enterprises  
Stock Brokers

### Features

- Remote Desktop Call Monitoring
- Instant Alert Notification System
- Statistical Call Analysis using Charts
- Instant Search via Phone Book
- Multimedia Voice Player
- GSM/MP3 Audio Compression

### Xtend Technologies (P) Ltd.,

Blue Hill, Kalathiparambil Cress Road, Ernakulam South, Kechi-682016,  
Kerala, India. Phone: +91-484-2378008 / 3291009, +91-9389808080.
