

## STYLISH ENTERTAINMENT NOTEBOOK

THE HP PAVILION DV6 WITH POWERFUL GRAPHICS, AUDIO AND VIDEO

Price: Rs 35,300 onwards

Get set for amazing action with the Pavilion dv6 from Hewlett Packard (HP). This notebook PC packs powerful graphics, audio, video and software that lets you start playing right out of the box. Blaze through 3-D graphics, photo/video editing and

movies on a high-definition display with Altec Lansing speakers and Dolby audio for virtual surround sound.

The notebook comes with sophisticated and intuitive island-style keyboard design, powerful new processors and discrete graphics options. Access the Web in seconds with HP Quick-Web and stay connected with long battery life. Bold finishes, touchable textures and performance materials keep pace with the way you live and the things you love to do. Choose the signature of your distinct individuality with the imprint options: Go bold and beautiful with the black cherry textured imprint or flaunt your taste for the finer things with the champagne textured imprint.

## FULL HD MONITOR

VIEWSONIC'S VX2739WM WIDE-SCREEN LCD MONITOR FOR GAMING AND ENTERTAINMENT

Price: Rs 24,999

ViewSonic claims its VX2739wm to be the world's first 68.6cm Full HD monitor with a blazing fast 1ms response time.

Ideal for gaming and entertain-

ment, the VX2739wm packages a 1080p Full HD panel and crystal-clear 100,000:1 dynamic contrast ratio into a sleek design. With 1ms response time and built-in speakers with SRS premium sound, it delivers truly immersive viewing.

With HDMI, DVI and VGA for video connectivity and a 4-port USB hub, the

VX2739wm offers the diverse connectivity options that consumers demand. A multipurpose device, the VX2739wm is perfect as a monitor for game console on the desktop or wall with its VESA-compliant design, or as an entertainment display when hooked up to a DVD player or cable/satellite box.

## DIGITAL PHOTO FRAME

SHOW OFF YOUR FAVOURITE PHOTOS IN SHARP DETAIL AND VIBRANT COLOURS ON SONY DF-X95

Price: Rs 11,990

Sony DPF-X95 digital photo frame lets you view and share your memories on a 23cm (9-inch) wide LCD screen. The photo frame gives you the flexibility to display your photos as single images for full-screen viewing, as thumbnails for easy searching or as a slideshow for undisturbed screening of pictures with ten built-in transitions.

Set the frame vertically or horizontally and its auto-orientation sensor would automatically rotate your photos from portrait to landscape display format and vice versa as per the placement of the frame. In-built clock and calendar features add to the utility of this product both for your home and office. Plug-and-play, PC-less image transfer is a snap with direct USB input from most digital cameras, as well as support for most memory cards.

The supplied remote control lets you navigate the frame without having to leave the comfort of your couch or office chair. 2GB internal storage capacity with auto sizing adjustment lets you store up to 4000 pictures.
