

9TH Annual EDUCATORS DAY 2010

Graphical System Design for Research and Consultancy

Educators Day is organized by 20 visionary professors, comprising the NICE Committee and is aimed at bringing together today's Academicians and Industry Experts to initiate a discussion on how to groom better engineers. Since the last 9 years, it has emerged as the largest convention for Engineering and Science Faculty, Academicians and Research Scholars in India with the sole objective of enabling them to adopt the state-of-the-art teaching tools in Science and Engineering.
