

SMALLEST MULTIFUNCTIONAL LASER PRINTER

SAMSUNG SCX 3201 COMBINES ELEGANT, SPACE-SAVING DESIGN WITH MAXIMUM USABILITY AND ENVIRONMENT-FRIENDLY FEATURES

Price: ₹ 8999 with a full starter toner

multifunctional laser printer.

A unique 'print screen' button on the printer provides a quick and easy way to print content. The 'eco-print' button allows double-sided printing at 600-dpi resolution while saving paper, toner and time. The 'soft power' button not only makes the printer easy to use but also avoids unnecessary power consumption. The AnyWeb print software allows you to drag and drop

Samsung Electronics has enhanced its printer line-up by launching a multifunctional printer that can print, copy and scan. The SCX 3201 is claimed to be the world's smallest

content from different sources and consolidate it into one page.

The printer has a 32MB memory, toner saver mode and monthly duty-cycle of up to 5000 pages.

RUGGED LAPTOP

TOSHIBA SATELLITE L630 HAS A WIPEABLE KEYBOARD, 3-D HARD DRIVE IMPACT SENSOR AND LONG BATTERY LIFE

the tough Indian conditions and also addresses the Indian users' concerns efficiently.

Besides preventing dust from settling onto the keyboard and into the interior part of the laptop, its wipeable keyboard prevents permanent damage to the system board commonly caused by conductive debris. The 3-D hard drive impact sensor protects the laptop from unexpected jolts or shocks during travel. The USB sleep-and-charge port feature allows

Toshiba India has introduced its first offering for the young and trendy Indians—Satellite L630. The new laptop functions effectively under

you to charge any portable electronics gadget even when the laptop is turned off. And the high-capacity battery pack provides a long 4.6-hour battery life.

DUAL-SIM VIDEO PHONE

THE AFFORDABLY PRICED INTEX IN 2060 V.DO CAN PLAY ALMOST ANY VIDEO FORMAT

Price: ₹ 2600

Intex has announced a GSM+GSM music-cum-video phone that is easy on the pocket too. The IN 2060 'V.DO' (pronounced as 'We Do') plays popular video formats (MP4, 3GP and AVI) in clarity. High-definition videos fit in well with its QVGA 5cm (2.0-inch) display screen.

Besides the video playback and recording capability (with a 1.3MP camera), the phone features an inbuilt FM radio, audio player, extendable memory up to 8 GB, auto call record, data protection, Web camera, torch light, Bluetooth with A2DP, Hindi keypad, mobile tracker, Black List, etc.

With the 'black list' feature, you can block up to 500 callers—that is, as many contacts as present in the phonebook. A fairly long-lasting battery gives you adequate time to enjoy the best of its in-built features.
