

## The Categories, Top Brands and the Winners

| Category                             | Top 5 Brands                                                                                                    | And the Winner is...                     |
|--------------------------------------|-----------------------------------------------------------------------------------------------------------------|------------------------------------------|
| Resistors                            | Keltron, MFR, Panasonic (National), Vishay, Watts                                                               | Vishay                                   |
| Capacitors                           | CTR, DEKI, EPCOS, Keltron, Vishay                                                                               | Keltron                                  |
| Diodes & Transistors                 | Bharat Electronics Ltd (BEL), Continental Devices (CDIL), Fairchild Semiconductor, Panasonic (National), Vishay | Vishay                                   |
| Relays & Switches                    | Electronics Relays India (ERI), Good Sky, O/E/N, Omron, PLA                                                     | Omron                                    |
| Solar Cells                          | BHEL, Moser Baer Photovoltaic, Tata BP Solar, Sharp Business Systems (India), WEBEL SL Energy Systems           | Tata BP Solar                            |
| EDA Tools                            | Cadence, Labview, Matlab, Mentor Graphics, Synopsys                                                             | Mentor Graphics                          |
| Educational Kits & Trainers          | Dynalog, Jetking, Microchip, Sciencetech, Vegakits                                                              | Vegakits                                 |
| Sensors & Actuators                  | ABB, Hitechnic, Honeywell, Omron, Speon                                                                         | ABB                                      |
| Soldering & Desoldering Stations     | Hakko, Goot, Max technology, OKI, Weller (Inde)                                                                 | Weller (Inde)                            |
| Multimeters                          | Agilent, Fluke, Meco, Mastek, Sanwa                                                                             | Fluke                                    |
| Oscilloscopes                        | Agilent, Aplab, Fluke, Sciencetech, Tektronix                                                                   | Tektronix                                |
| SMF Batteries                        | Amara Raja, Base corporation, Exide, Okaya, Su-Kam                                                              | Exide                                    |
| Security Systems                     | Alba Systems, Bosch, Godrej, Sparsh Securitech, Zicom                                                           | Sparsh Securitech                        |
| Inverters & UPS (Industrial)         | APC, Luminous, Microtek, Numeric Power, Su-Kam                                                                  | APC                                      |
| Inverters & UPS (Domestic)           | APC, Luminous, Microtek, Numeric Power, Su-Kam                                                                  | APC                                      |
| EPABX & Key Telephones               | Accord, BPL (Telecom), Matrix, Panasonic, Siemens                                                               | Matrix                                   |
| DVD Players                          | LG, Onida, Philips, Samsung, Sony                                                                               | Sony                                     |
| CRT Television Sets                  | BPL, LG, Onida, Philips, Samsung                                                                                | Samsung                                  |
| Flat Panel Television Sets           | LG, Panasonic, Philips, Samsung, Sony                                                                           | Sony                                     |
| Home Music Systems                   | Bose, Panasonic, Philips, Samsung, Sony                                                                         | Sony                                     |
| Car Music Systems                    | Blaupunkt, Kenwood, Philips, Pioneer, Sony                                                                      | Sony                                     |
| Mobile Phones                        | LG, Motorola, Nokia, Samsung, Sony Ericsson                                                                     | Nokia                                    |
| Desktop Computers                    | Acer, Apple, HCL, HP-Compaq, IBM/Lenovo                                                                         | HP-Compaq                                |
| Laptops/Netbooks                     | Acer, Dell, HP-Compaq, Lenovo (Earlier IBM), Sony                                                               | Dell                                     |
| Microwave Ovens                      | IFB, Kenstar, LG, Onida, Samsung                                                                                | LG                                       |
| Water Purifiers                      | Aquaguard (Eureka Forbes), Kent, Philips, Pureit (Hindustan Unilever), Usha Brita                               | Aquaguard (Eureka Forbes)                |
| Electronics Organisation of the Year |                                                                                                                 | HCL Infosystems                          |
| Electronics Personality of the Year  |                                                                                                                 | Siva Sankaran, Founder: Sterling, Aircel |
| Lifetime Achievement Award           |                                                                                                                 | Dr G. Madhavan Nair                      |
| Green Organisation of the year       |                                                                                                                 | Attero Recycling                         |
