Visma Traders is leading professional overseas buying and
selling agent for electronic components. We have 4 yrs
experience in foreign trade, we'd like to help foreigners and
companies sourcing Electronic Components / Semiconductors
from Overseas (CHINA, HONG KONG, TAIWAN, SINGAPORE).

What we can do for you

Visma Traders is well experienced in electronic components field Since
1980 and has lots of experience in import and export since 2003 we focus
only on electronic components to support companies in their purchases
from World Market.

The Benefit from Overseas Electronic Component market:
Cost-effective, efficient, way to satisfy customers needs and streamline
the full production chain from supplier to customer.

The Disadvantages from Overseas Electronic Component market:
Poor quality material, delayed delivery, communication problems.

Our team of professional & experienced people in electronic component
field is located in Shenzhen city in China. Supplying of special, obsolete
item is our Speciality. Our current client list includes various OEM mfrs,
manufacturers in various EPZs, Defence & government organizations.
We give you 100% assurance that all our deals will be **highly CONFIDENTIAL**.

Our other Services: Complete Reverse Engineering JOB (with EMS
services) for PCBA
