APPOINTMENTS

Seeking Experienced Sales & Marketing Professionals From Indian Electronics Industry

Based on needs shared by some of our clients and an in-house position, we invite mid-level (2 years-plus) and senior-level (5 years-plus) sales and marketing professionals from the Indian electronics industry, for vacancies at Delhi, Bengaluru and Mumbai.

The applicants need to have extensive experience in either of these segments of the electronics industry:

- Solar / Renewable Energy
- Test & Measurement
- Security Devices
- SMT Equipment
- Electronics Manufacturing
- LED Lighting
- Power Electronics
- Components (Passive & Active)
- Access Control & Identification

Key points

Vacancies are for Delhi, Mumbai and Bengaluru only.

Candidates residing in other cities, and open to shifting, should mention the same in their application.

Some of these positions entail a national-level business development responsibility, and also setting up of a team. Technical background would be a bonus.

Field Application Engineers & Sales Engineers are also suitable for these roles.

Own conveyance would be a must for candidates applying for Bengaluru and Delhi.

Most roles entail customer-facing activities.

If you are interested in any of these roles, please send your application to efyhrdep@efyindia.com. Please do mention the industry segment and city that you are applying for in your application. For any doubts or queries, please feel free to call Ms Samiksha Pandey at 011-26810601 or 02 or 03.
