**It will guard
your home,
and your loved
ones too.**

Ordinary Video Door phones provide incomplete protection. Crystal VDP with Alarm Function interfaces with a range of Wired & Wireless Sensors for intrusion & panic detection. In case of an alarm Crystal VDP will activate panic ringing / external hooter / auto SMS to predefined mobile phones / trigger panic to connected Crystal guard security system, plus a host of other advanced functionalities.

Telephone Function

Crystal VDP features a Telephone Handset and a telephone dial pad to work like a telephone instrument.

High Quality Coloured TFT-LCD

Crystal VDP uses industry's best coloured TFT-LCD display to give unmatched picture quality.

Ergonomic Design

Crystal VDP has been carefully crafted along with other design aspects to blend seamlessly with modern interiors.
