

India will be a global knowledge leader by 2021.

Sharda University is leading the change.

We invite you to be a part of this revolution.

Global Gurus from several renowned international universities are here to guide you to Global Success. Experience the foreign university culture being nurtured at Sharda. With best modern learning practices of UK and US, international academic tie-ups, world class curriculum, application based learning and a fully flexible credit system which allows students to opt for interdepartmental courses, Sharda is North India's only multi-disciplinary university offering a range of disciplines including Medical, Dental, Engineering, Management, Clinical Research, Biotechnology and many more.

Come see it to believe it!
