

PHOTO PRINTER-CUM-FRAME

Price: Rs 14,999

**THE EPSON PictureMate PM310
HAS A LARGE-SCREEN
DIGITAL PHOTO DISPLAY**

Epson has launched a mini photo printer that offers users dual functionality—photo playback with its large (17.8cm) digital photo frame and quality photo printing. The PictureMate PM310 comes with a remote control that allows users to navigate wirelessly to showcase their images in a series of animated photo slideshows. User-friendly applications allow users to personalise their images with pre-installed photo frames and print them instantly. The printer is available at all Epson stores across the country.

HIGH-RESOLUTION DIGITAL PHOTO FRAME

TRANSCEND'S PF830 IS A PERFECT MATCH FOR ANY HOME DÉCOR OR PERSONAL STYLE

Price: Rs 8000

Transcend Information, Inc. has introduced a 20.3cm digital photo frame with 2 GB of internal memory and support for various types of memory cards. Featuring a large ultra-high-resolution screen, the PF830

displays digital photos with the same sharpness and rich colours as high-quality prints.

With its smooth contoured shape, lustrous gloss finish and subtle etched hexagonal pattern, the PF830 is a perfect match for any home décor or personal style. Its digital LCD panel with an extremely high resolution of 800×600 and 4:3 aspect ratio displays digital pictures with minimal distortion. The PF830 conveniently displays videos, photos and music from a variety of sources: USB Flash drives, memory cards or its own on-board memory.

WALKMAN WITH EXTERNAL SPEAKERS

SONY'S E-SERIES COMES WITH DESIGN-MATCHED EXTERNAL SPEAKERS FOR LOUD-AND-CLEAR MUSIC

Sony India has launched an E-Series Walkman MP3 player with external speakers. The NWZ E443K has battery life of more than 30 hours and 4GB internal storage. It comes with a unique linear-phase speaker system that enhances sound quality by providing clear bass and clear stereo. The advanced audio technology allows for natural sound reproduction and powerful bass sounds. An alarm function allows you to set a daily 'wake-up call'. Also, a timer function switches off the Walkman within a set time, which helps to preserve battery life for longer hours of audio enjoyment.

The E-series Walkman is available at all Sony authorised stores, in lovely pink and bold black colours.

Price: Rs 7990
