

Sona is the **TOP CHOICE** for ENGINEERING STUDIES

Wouldn't you like to know why...?

Sona is an inspirational place to study and learn. A team of dedicated and highly qualified faculty with 40 PhDs and 85 more pursuing their PhDs are committed to providing a truly fulfilling learning experience. Here are certain other reasons that make Sona the preferred choice of brilliant students.

- 300-member strong faculty team and a staff-to-student ratio of 1:12
- One among the top 10 engineering institutions in Tamilnadu.
- Ranked among India's top institutions by leading national magazines.
- On-campus placement attracting more than 75 top MNCs.
- 35 centres of excellence for R & D projects.
- MoUs with leading industrial houses and organizations.
- World-class multimedia training centre and language lab.
- Magnificent buildings amidst beautifully laid lawns, gardens and trees.
- Special focus on improving skills valued most by employers.
- Global learning destination with students from 30 countries.
- Scholarships and loans to a very large number of students.

Real good reasons for you to choose Sona!
