

New

Software

DC Current
Adaptor

6390

Features

- Memory & Read Function
- Right Device to know the TRUE-LIFE of Battery Capacity (Resistive / Voltage / Current & Temperature) Simultaneously
- On-line Testing without shutting down battery
- Built-in Comparator Function
- Rates Conditions as PASS, WARNING or FAIL
- Datalogging Memory Function
- Compact and lightweight
- RS-232 Interface & Software
- Load Test Analysis (Charge / Discharge)
- Auto-Hold & Auto-Data Storage
- Wide Range 0 ~ 1200 AH
- Auto Power Off
