

Farnell is now element14.

You have a vision of
a dynamic future.
So do we.

We're changing because your world is changing.
Welcome to element14.

Stiffer competition. Tougher jobs. In business, you must evolve to thrive. Welcome to element14, the new face of Farnell. It's more than a name change. It is a symbol of our passion for delivering the best products and the best service.

We have invested millions of dollars in improving our offering. We now offer a wider range of electronic design components and maintenance products than any other distributor, doubling our inventory in Asia and tailoring it to the region's needs. We've also introduced 0+3 day delivery throughout India, 24x7 customer support as well as free access to our collaborative community of experts and engineers around the world.

So in a fast changing world, you can rely on us to help you stay ahead. Find out why we're so proud of our evolution at element14.com
