

World Class

Digital ^{TRMS} multimeters

Indispensable Tools in your arsenal

732 / 731 Series

- Compact size & ideal for carrying
- Large display for easy viewing
- Safe design allows measurement in excess of 20A
- Auto hold function
- Capacitor check function
- Special model for voltage measurement

TY720 / TY530 Series

- Basic Accuracy: 0.02%
- True RMS measurement
- Measures AC/DCV (1kV), Amps (10A), resistance, frequency, temperature, capacitance, continuity
- 4 1/2 digit, 7-segment display
- 50,000-count DUAL display with 51-segment bar graph display
- Data, Auto & Range hold
- Low-pass filter (LPF)
- Maximum, minimum & average values
- Safety standards EN61010-1, 1000V CAT III, 600V CAT IV
- Datalogging capability for up to 10,000 data points
