

ROLTA INDIA LTD

Rs 15,327 mn (2009-10)

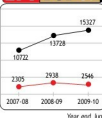

Rolta, an Indian multinational organisation, serves various sectors like the defence and homeland security, government and infrastructure, by providing innovative enterprise, geospatial and defence solutions, engineering design and operation solutions, and enterprise IT solutions. Headquartered in Mumbai, it employs about 4,500 professionals with countrywide infrastructure and international subsidiaries across the globe. During the year, the company expanded its facilities by establishing a development and delivery centre in Delhi NCR to enhance its software through drive home and a battle lab customised to Indian defence requirements. This facility is also the company's first development and delivery centre in North India.

AMARA RAJA BATTERIES LTD

Rs 14,702 mn (2009-10)

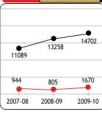

Amara Raja Batteries, an Amara Raja-Johnson Controls company with 26 per cent equity from Johnson Controls, claims to be one of the largest manufacturers of lead-acid batteries for both industrial and automotive applications in the Indian rechargeable battery industry. In India, Amara Raja is the preferred supplier to major telecom service providers, telecom equipment manufacturers, UPS segments (OEM and replacement, Indian railways and to power, oil and gas among other industry segments). The company's industrial battery division witnessed double-digit growth in sales and volume during the financial year 2010. It also improved its market share both in OEM and aftermarket, aided by its focus on channel building, realignment of its product portfolio and brand awareness programmes.
