

CMC LTD

Rs 8895 mn (2009-10)

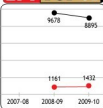

Incorporated in 1975, CMC is an information technology solutions provider in India and a subsidiary of Tata Consultancy Services (TCS). Operating out of 18 offices and 180 service locations in the country, the company employs around 5,600 people and has a wholly owned subsidiary in USA called CMC Americas, Inc. The company's first major onsite delivery centre in USA became operational in April 2010, enhancing its capability to service clients in America. Continuous improvement in business mix coupled with improved employee productivity and prudent cost management has helped the company in increasing operating margins.
