

Prof. Tony Summers (London, UK)

Just Success or Global Success?

Explore the new horizons of education with
International faculty and World-class curriculum.
Come see it to believe it!

Sharda - A Truly Global University Our 360° Global Approach

- A galaxy of permanent foreign faculty from renowned institutes all over the world - because there are no borders in learning.
- Over US\$ 2 millions have been invested in world class software & IT solutions.

- Fully flexible, credit based system. For the first time in India, students can opt for interdepartmental courses, which means you can choose subjects of your choice and excel in them.
- Best modern learning practices of the US and the US and a world class course curriculum are in place, which focus on application based learning instead of conventional memory based approach.

No Donations/Capitation fee are taken for admission at Sharda University. Any such demand should be reported to complaint@sharda.ac.in
