Sino Instruments®

**Trusted Manufacturer for Pressure and Temperature Calibration
Solutions and We Make Calibration Process very easy!**

ELSYS
TECHNOLOGIES

Founded in 2002 with ISO9001&CE&EX approval. Our company is one of the leading worldwide manufacturers of pressure and temperature calibration products. Main products include pressure controller, high accuracy intelligent pressure calibrator, digital pressure gauge, portable pressure comparison pump, multi-outputs pressure comparator, temperature calibrators, etc.

Specification & Feature

- Pressure range from vacuum to 2500 bar: Accuracy up to 0.025% of FS.
- Hand-tight quick connectors: Easy to use and thus saving labour.
- Using good quality sealing: Fast stability, high resolution and non leaking for a long period of usage.
- Light weight: For in-house and field application (portable). Easy to maintain.

Digital Pressure Gauge

Intelligent Pressure Calibrator

Pneumatic pressure test pump

Hydraulic Pressure Comparator

Sphygmomanometer Calibrator

Electric Calibration Pump
