

The best advertising should make you nervous about what you are not buying.

Creative without strategy is called ART. Creative with strategy is called ADVERTISING.

The Business That
Considers Itself Immune
to The Necessity for
Advertising Sooner or
Later Finds Itself
Immune to Business.

If it
doesn't sell,
it isn't
creative.

Branding is what people say about you when you are not in the room.

Many a small thing has been made large by the right kind of advertising.
