

Calendar of Forthcoming Electronics Fairs/Exhibitions/Seminars/Events

Name, Date and Venue	Topics	Contact address for details
CommunicAsia2016 May 31-June 3, 2016 Marina Bay Sands, Singapore	International communications and information technology exhibition and conference	CommunicAsia2016 Website: www.communicasia.com
Global IoT Conclave June 2, 2016 Bengaluru	Summit that will align leading vendors in the IT space with qualified decision makers and buyers	Website: www.globaliotconclave.com
NEPCON Malaysia 2016 June 7-9, 2016 Spice Arena, Penang Malaysia	Part of Reed Exhibitions' electronic manufacturing portfolio in Asia Pacific, it is a sourcing ground for components, PCBs, T&M and support services	Website: www.nepcon.com
CWST-Expo2015 June 9-11, 2016 Bombay Exhibition Centre, Mumbai	Presentation platform for coil winding, insulation, stamping, transformer manufacturers, coil winding machines and allied industry	Brandscope Exhibitions Phone: +91-9699807207, 9899107207 Website: www.cwstexpo.com
8th Future of Wireless International Conference June 21-22, 2016 London, UK	A leading conference for discovering the latest in cutting-edge wireless technology	Cambridge Wireless Website: www.cambridgewireless.co.uk/futureofwireless
The 14th International LED & OLED Expo 2016 June 22-26, 2016 Kintex, Korea	World's top B2B trade show for the LED and OLED industry	International LED EXPO 2016 Secretariat Website: www.ledexpo.com
SES 2016 July 7-8, 2016 Bangalore International Exhibition Centre (BIEC), Bengaluru	A platform for the Indian industry to explore opportunities to work together with the defence establishment, bring all stakeholders including the government, defence organisations, private and public sector together	Electronic Industries Association of India (ELCINA) Website: www.elcina.com/events_ses.asp
NIWeek August 1-4, 2016 Austin Texas, USA	Annual global conference for graphical system design organised by National Instruments	National Instruments Website: www.ni.com/niweek
CommunicIndonesia 2016 August 31-September 3, 2016 Jakarta International Expo, Indonesia	Annual international communications and information technology exhibition and conference	Harris Kristanto E-mail: cmmi@pamerindo.com Website: www.communicindonesia.com
IFA Berlin September 2-7, 2016 Berlin, Germany	Leading trade show for consumer electronics and home appliances	IFA Berlin Website: www.b2b.ifa-berlin.com/en/IFA/AboutIFA
IoT Design September 15, 2016 CodeNode - Moorgate, London	Organised by publishers of Electronics Weekly, London, it is meant for design engineers and technical managers to know more about the technology	Event Development Manager Phone: +44 (0)20 8253 8645 E-mail: mark.harrington@metropolis.co.uk
electronica India September 21-23, 2016 Bangalore International Exhibition Centre, Bengaluru	International trade fair for electronic components, systems and applications	electronica India Website: http://electronica-india.com
Taitronics 2016 October 6-9, 2016 Taipei Nangang Exhibition Centre, Taipei	Taipei international electronics show	Taitronics 2016 Website: www.taitronics.tw
electronicAsia 2016 In conjunction with HKTDC Hong Kong Electronics Fair (Autumn edition) October 13-16, 2016 Hong Kong Convention and Exhibition Centre, Hong Kong	Display technology, key components for smartphones, PCBs, keyboards and switches, solar and photovoltaic	Hong Kong Trade Development Council Website: https://electronicasia.com
Open Source India October 21-22, 2016 NIMHANS Convention Center, Bengaluru	Premier open source conference in Asia targeted at nurturing and promoting the open source ecosystem in the subcontinent	Open Source India Website: http://osidays.com/osidays/
Korea Electronics Show October 26-29, 2016	Electronic parts and materials, consumer, ICT, software and mobile apps, IT convergence, 3D and broadcasting	Korea Electronics Association Website: http://www.kes.org/eng
Mechatronika 2016 December 7-9, 2016 Prague, Czech Republic	Topics include ICT, power electronics, sensors, EMC, actuators, modelling and simulation, robots, industrial applications, military technologies, measurement and diagnostics, bio-mechatronics, among others	Department of Air Defence Systems Website: http://mechatronika.fel.cvut.cz/

ELCINA signs MoU with KICOX

ELCINA has signed an MoU with Korea Industrial complex Corp. (KICOX) for the exchange of information and promoting business collaboration between Indian and Korean companies.

KICOX and ELCINA would share strategic mutual information and also create a platform for exchanging business profiles for enabling partnerships and business development between companies of their respective countries. They would also share their experience in the development of industrial clusters, and ELCINA would seek support and partnership from KICOX for the same with their expertise in this area.

Mysuru to get testing centre for electronics

Mysuru (earlier known as Mysore) in Karnataka state will soon be getting a world-class, one-of-a-kind testing centre for electronic components and products. The centre will be a Common Facility Centre to be developed in Hebbal, Mysuru. Total cost of the project is expected to be ₹ 300 million.

The project is being developed under Electronics Manufacturing Cluster (EMC) scheme, whereby the government's Department of Electronics and Information Technology (DeitY) will provide ₹ 210 million, the state government ₹ 35 million and the rest will be provided by the electronics companies in that particular cluster in Mysuru.

India's chipset market to grow at 26 per cent

India is emerging as one of the fastest growing chipset markets in the Asia-Pacific region, thanks to Make in India initiative. According to a recently-released report titled 'India Chipset Market Forecast & Opportunities 2020,' the country's chipset market is expected to grow at a CAGR of 26 per cent during the 2015-2020 period.
