

Rajasthan gets 500,000 LED streetlights

Rajasthan has become the first state to adopt the centre's Street Lighting National Programme in all its urban local bodies. Almost 500,000 conventional streetlights have been replaced with LED streetlights across the state. The project has been funded by Energy Efficiency Services Ltd at no cost to the state.

ESDM space to get ₹ 2000 billion investment

Investments up to ₹ 2000 billion are expected in India in the electronic system design and manufacturing (ESDM) space within the next four years, says industry body India Electronics and Semiconductor Association. Its president M.N. Vidyashankar has said that applications cleared at the central and state levels over the last two-and-half years are worth about ₹ 1500 billion, under various programmes in the ESDM space.

Coal India to set up solar plants in four states

Coal India Ltd has signed an agreement with Solar Energy Corp. of India to set up power plants totalling a capacity of 1GW, at various parts of the country.

In its annual report, Coal India has stated that in the first phase, it will set up two 100MW solar power plants in Madhya Pradesh. In the second phase, it will develop a capacity of 600MW in the solar parks of Madhya Pradesh, Chhattisgarh, West Bengal and Maharashtra.

HP to acquire Samsung printers

HP Inc. has agreed to buy Samsung Electronics Co.'s printer business for US\$ 1.05 billion, a deal designed to help the Silicon Valley company expand into high-volume devices that handle printing and copying for office work groups.

The transaction, which is subject to regulatory approval, is expected to close within 12 months. After it is completed, Samsung has agreed to make an equity investment of US\$ 100 million to US\$ 300 million in HP through open-market stock purchases.

Panasonic aims for robust growth in India

Home appliances and consumer electronics major Panasonic India has said it is aiming for 40 per cent growth in the current year, riding on the growing 4G handset market and the upcoming festive season.

Panasonic India president and chief executive, Manish Sharma, has said that the company is aiming at 20 per cent growth for consumer durables in 2016 compared to last year's business of ₹ 40 billion, while the firm's mobile phones division is expected to do a turnover of ₹ 25 billion in 2016, compared to ₹ 18 billion last year.

Apple eyeing India for iPhone manufacturing

On Apple CEO Tim Cook's first visit to India, he reportedly discussed manufacturing and retailing in India, with PM Modi. He has announced the setting up of an app development unit in Bengaluru and has opened a development centre for Apple Maps in Hyderabad, with an investment of US\$ 25 million.

Winners of the ELCINA-EFY Awards 2015-16

Exports

Large scale

- First prize : SFO Technologies Pvt Ltd, Cochin
- Second prize : EPCOS India Pvt Ltd, Kalyani (WB)
- Certificate of Merit : Cosmo Ferrites Ltd, Solan (HP)

Medium scale

- First prize : Sahasra Electronics Pvt Ltd, Noida
- Second prize : Globe Capacitors Ltd, Faridabad
- Certificate of Merit : Qmax Test Equipments Pvt Ltd, Chennai

Quality

Large scale

- First prize : Salcomp Manufacturing India Pvt Ltd, Sriperumbudur (TN)
- Second prize : SFO Technologies Pvt Ltd, Cochin
- Certificate of Merit : Astra Microwave Products Ltd, Hyderabad

SME

- First prize : Cubix Control Systems Pvt Ltd, Noida
- Second prize : SGS Teknics Manufacturing Pvt Ltd, Gurgaon

Research and development

- First prize : Electronics Corp. of India Ltd, Hyderabad
- Second prize : RenewSys India Pvt Ltd, Bengaluru
- Certificate of Merit : Matrix Comserve Pvt Ltd, Vadodara
- Certificate of Merit : Satva Etch India Pvt Ltd, Bengaluru

Excellence in innovation

- First prize : Deepthi Electronics & Electro-Optics Pvt Ltd, Bengaluru
- Second prize : ELCOM International Pvt Ltd, Kolhapur

Environment management

Large scale

- First prize : Salcomp Manufacturing India Pvt Ltd, Sriperumbudur (TN)
- Second prize : EPCOS India Pvt Ltd, Kalyani (WB)
- Certificate of Merit : Astra Microwave Products Ltd, Hyderabad

SME

- First prize : Elin Appliances Pvt Ltd, Solan (HP)

Business excellence

- First prize : Sasmos HET Technologies Ltd, Bengaluru
- Second prize : BlackPepper Technologies Pvt Ltd, Bengaluru
- Certificate of Merit : MyBox Technologies Pvt Ltd, New Delhi
- Special Certificate of Appreciation : SFO Technologies Pvt Ltd, Cochin

Entrepreneurial excellence

- First prize (from an existing company) : N. Jahangir, vice chairman and managing director, SFO Technologies Pvt Ltd, Cochin
- First prize (new company) : V.P. Sajevan, founder and CEO, ESY Tech Resources India Pvt Ltd, Gurgaon
- Special recognition for innovative approach to entrepreneurship : Rahul Jain, director, FIEM Industries Ltd, Sonapat

Special Jury Awards

Electronics Man of The Year:

Josh Foulger, managing director, FH (India) - Foxconn, Sriperumbudur (TN)

Exemplary contribution to defence technologies and electronics:

Dr G. Sateesh Reddy, scientific advisor to the defence minister and director general, DRDO

Outstanding contribution to innovation and development of the domestic supply chain:

Vipin Tyagi, executive director, C-DOT, New Delhi

Champion for the India-Taiwan ESDM industry partnership:

Francis Tsai, Getac Technology Corp., Taiwan

Admirable SME with global outlook:

Sahasra Electronics Pvt Ltd, Noida

Most vertically integrated company with exceptional contributions to manufacturing:

ELIN Electronics Ltd, New Delhi

Outstanding EMS company with a global outlook:

SGS Teknics Manufacturing Co. Pvt Ltd, Gurgaon

Outstanding EMS company of the year:

Dixon Technologies India Pvt Ltd, Noida
