

To everyone who visited us at electronica India 2016, the Murata Cheerleaders would like to say...

THANKYOU

 **electronica India**
Hall B2, Booth 2101

Thank you for visiting...

world's first robot cheerleaders

At electronica India 2016

Innovation is a way of life at Murata, which is why we continue to push the boundaries of technology.

And now, with the goal of using technology to bring happiness and smiles, Murata introduces the world's first team of robot cheerleaders.

Representing the infinite possibilities of electronics,
Murata Cheerleaders are ready to cheer on innovators everywhere!
