TOUCH AND TYPE' CELLPHONES

NOKIA X3-02 AND C3-01 WITH TOUCH SCREEN ALLOW QUICK WEB BROWSING AND MUSIC PLAYBACK

Nokia X3-02 and C3-01 mobile phones are perfect for social networking and SMS, which require quick and frequent inputs. Besides the keypad, these phones have a touch screen, which is a must for quick Web browsing and controlling applications like music and games. The phones are 3G-enabled and sport an inbuilt music player with over 16GB expandable memory and a 5-megapixel camera with VGA video recording.

The X3-02 is equipped with dedicated music and messaging keys and is just 9.6mm thick.

The C3-01 comes in a stainless steel casing with dimensions of 111x47.5x11 mm³. It has a 6cm (2.4-inch) touch screen and dedicated camera and volume keys.

Price:
X3-02 — ₹ 8839
C3-01 — ₹ 9389

3D LED TV

HAIER'S 140CM LE55A310 COMES WITH THREE HDMI CONNECTIONS AND USB 2.0 INPUT

Haier has launched a 140cm (55-inch) 3D LED TV (model LE55A310) in a metallic look and ultra-slim design. The TV is eco-friendly, saving power through its optimal power control.

The LED-backlit LCD TV technology is paired with full HD 1080P and 120Hz full motion to offer true-to-life colours without motion blur. In addition, SRS TruSurround XT technology renders a live-performance quality.

The three HDMI connections allow you to connect

HDMI-compatible gadgets to the TV. Also, with the USB 2.0 input, you can browse digital media (pictures, music and video files) directly from USB flash drives, hard drives and card readers.

Price: ₹ 199,990

LAPTOPS WITH LONG BATTERY LIFE

LENOVO'S ThinkPad T SERIES LAPTOPS COME WITH CORE i5 AND i7 PROCESSORS AND IMPROVED BATTERY LIFE AND BOOT TIME

Chinese hardware giant Lenovo has added T series laptops to its ThinkPad range. The laptops, which include 35.6cm (14-inch) T420s and T420, and 39.6cm (15.6-inch) T520, have a slew of new Core i5 and i7 processors, as well as improved battery and boot time. The T420s model is claimed to boot 30 per cent faster than the previous model, and the slightly thicker and heavier T420 lasts up to 30 hours on a single charge with its nine-cell slice battery.

The new laptops sport up to 8 GB of RAM, discrete AMD Radeon HD565 graphics and an optional 80GB mSATA SSD drive.

Price:
T420s — ₹ 60,000
T420 — ₹ 35,000
T520 — ₹ 41,000
