Great Value in Test & Measurement
Versatility – One for All

Programmable 3/4 Channel High-Performance Power Supply HMP4030/HMP4040

- ✓ 3 x 0...32V/0...10A 384W max.
- ✓ 4 x 0...32V/0...10A 384W max.
- ✓ 384W Output Power realized by intelligent Power Management
- ✓ Low Residual Ripple: <150 μ V_{rms} due to linear Post Regulators
- ✓ High Setting- and Read-Back Resolution of 1mV up to 0.2mA
- ✓ Keypad for direct Parameter Entry
