

Excellence in Temperature Sensing

EXATHERMOMETRICS
INDIA

TEMPERATURE SENSOR APPLICATIONS

Automotive Airconditioning
Engine/ABS/Lamps/Fuel Sensors
Fridge Sensors
Washing Machine Sensors
Geyser and Oven Sensors
Heatsink Sensors
Baby Incubators
Medical Equipment
Catheters
Temperature Data Loggers
Home Airconditioning
Biotechnology

India's finest NTC Thermistor and Sensor manufacturing exporter. From the production of 200 million thermistor semiconductor chips to sensors and control modules. In house design and reliability test center for customised temperature sensors for a world of applications.
