

make it **TOGETHER**

The **Freescal e Technology Forum** brings the entire Freescal e ecosystem together under one roof to create a unique environment of innovation and collaboration. Join us at FTF India for extensive technical training, interaction with Freescal e tools and solutions, and networking opportunities that will inspire your designs. We look forward to seeing you at FTF India.

FTF India | August 24–25, 2011 | Leela Palace Bengaluru
