

ULTRA-THIN NOTEBOOK

**WIPRO INFOTECH'S e.Go AERO
WEIGHS ONLY 1.33 KG**

Weighing only 1.33 kg with a 29.5cm (11.6-inch) TFT (1366×768) WLED screen, the e.Go Aero notebook from Wipro Infotech is a perfect balance between performance and mobility.

The pristine white notebook is styled in clamshell contours and chrome highlights. Its security features include hard disk password protection that secures hard disk data even if the notebook is stolen. Also, its hardware-level interface security lock secures the USB, card reader and WLAN input/output ports to prevent data theft.

Based on Calpella ULV Platform on Intel Core i processor, the notebook comes with a 1.3-megapixel camera, an eight-in-one card reader, 4GB DDR3 RAM, and supports both Windows 7 and Linux (limited functionality) operating systems.

Price: ₹ 35,990

FULL HD 3D PROJECTOR

LG'S CF3D USES TWO PROJECTORS COMBINED WITH ONLY ONE LENS

The LG CF3D is claimed to be the world's first single-lens full HD 3D projector. The projector's 3D system uses two projectors combined with only one lens.

The projector features an amazing brightness of 2500 ANSI lumens and high contrast ratio of 7000:1. It is based on SXRD (LCoS) technology, which provides features of both LCD and DLP with high contrast for solid blacks and natural colour rendering. With 3D auto picture calibration, there is no need to align brightness and contrast ratio separately.

Price: ₹ 800,000

The projector employs 3D polarised-light technology used in movie theatres and offers flicker-free 3D experience with lightweight polarised glasses.

14MP DIGITAL CAMERA

FUJIFILM'S FinePix S2950 FEATURES 18x OPTICAL ZOOM AND DUAL IMAGE STABILISATION

Fujifilm's FinePix S2950 digital camera has a Fujinon 18x optical zoom lens and 7.6cm LCD screen with 230,000-dot resolution. Its electronic viewfinder with eye sensor automatically switches the display from the LCD to the viewfinder as you put your eyes to the viewfinder. Dual image stabilisation works to eliminate blurred photos by freezing action and minimising blurs at maximum zoom range. As you frame your shot, the SR Auto
