

EFY DESIGN ENGINEERS' CONFERENCE 2011

18th & 19th February 2011 • Pragati Maidan, New Delhi

EFY Design Engineers' Conference is a step towards providing a platform where the design engineers' community in India will get a chance to interact with their peers and international experts. The goal is to identify the thrust areas and emerging needs for a variety of applications and learn about cutting edge technologies.

FOUR Reasons For You To Attend:

Listen to Experts

International experts from across the globe will be there to share their knowledge and expertise with YOU

Latest Products & Solutions

The accompanying expo has a dedicated Engineers' Zone where latest products and solutions for YOU will be showcased

Network with Peers

Get to connect with YOUR peers from across India and share knowledge and ideas

Upgrade Knowledge

Two days. One event. Get up-to-date with what's hot and what's not
