Turnover (FY 2009-10):

₹ 120 million

Sumitron Exports

Sumitron Exports is a distributor/stockist of components like chip and leaded resistors, capacitors and other passive components; a broad range of standard and custom-built SMD/conventional components; high-power, high-voltage resistors and resistive applications; electrical/electronic connectors and connector systems; heat-sinks; and dynamic braking resistors, aluminium-housed resistors and anti-condensation panel heaters. Major brands represented are Rara Electronics Corp., Korea; K.S.I. Instruments, Bengaluru; Shindenkizai, Japan; and 3M Electro & Communication India, Bengaluru. The company also distributes tools, materials and equipment.
