

Test system design just got easier...

...with proven Agilent measurement expertise on multiple platforms.

A single platform is rarely the best answer for every test scenario. That's why Agilent now offers you more choice, speed and flexibility than ever. Configure your system with the optimal mix of benchtop and modular instruments today, including PXI and AXIe products that deliver the highest performance per rack inch in the world. Discover the alternative for maximum flexibility and proven expertise. That's Agilent.
