

Our new identity is  
all about discovering  
newer ways to make  
your life better.

Sciencetech

**Presenting the new identity of Sciencetech.** One that is full of joy, full of life. It is a connotation of many good things. It is a reflection of our promising present and an exciting future. It embodies our spirit of growth - the fact that we continuously bring to you integrated offerings in diverse sectors. Most of all, it is a step ahead in finding newer ways of making your life easier, better and happier. In perfect tune with the Sciencetech philosophy that the real worth of technology lies in making a difference in the lives of people...and making this planet a happier place.
