Business & Economy Magazine honours
Sona School of Management as **India's Next Big League B-School**.

The dynamics of today's global business environment demands new and different skills for success. At Sona, we realize that a judicious combination of academics and practical learning are really vital to preparing oneself for the 'real World'.

Sona School of Management provides an environment that encourages students to cultivate and hone skills that are seldom learnt through textbooks. The learning experience at Sona helps students to develop creativity, entrepreneurship, decision making - essential tools needed to be competitive in today's rapidly changing corporate world. Consequently, Sona's MBA program provides students with the ability to create innovative business solutions that are different and better.

**Sona School of Management -
a home to the next generation of business leaders.**
