

SANTOSH RUNGTA GROUP OF INSTITUTIONS

Greetings from the Santosh Rungta Group of Institutions. In a span of just 12 years the Santosh Rungta Group of Institutions has established its name synonymous with quality education and is providing a wide spectrum of opportunities and a lifetime of leadership to its students. Under the able stewardship of Chairman Shri Santosh Rungta, the Santosh Rungta Group of Institutions has taken a leading position in India as a premier educational body with providing professional career oriented programs and in providing cutting edge solutions to the technological needs of the nation.

Dual lush landscaped campuses of 90 acres in Bhilai, Chhattisgarh and 75 acres in Raipur, Chhattisgarh with modern sports and recreational facilities, cutting edge technology implementing laptop based e-learning system with pan campus Wi-Fi, we provide our students the best possible environment for a all round development.

With a broad spectrum of educational offerings which include 3 year degree courses on BBA, BCA, B.Sc., undergraduate professional programs of BE, B.Pharm Post graduate programs of M.Tech, MBA, MCA, M.Sc, B.Ed and others it is the vision of the group to provide an education platform which will enable students to pursue their area and subjects of interest and excel in life both professionally and personally.

Reflecting our commitment to provide quality education, we have created a cutting edge knowledge delivery platform wherein all the classrooms are equipped with roof mounted LCD projectors, 2 high resolution IP cameras, faculty podium with Tablet PC on it. This platform ensures a smooth, uniform and consistent delivery of lectures enabling the students to fully focus on understanding the topic. 100% students carry laptops and are also able to access a huge pool of learning resources stored in local E-Learning server in a campus which is fully Wi-Fi campus.

Along with academics we also understand the need to enable the students to be conversant with the trends and opportunities prevalent in the market. Our training and placement cell ensures that the students have training in cutting edge technologies and technology trends. With a Tata Consultancy Services accredited campus, a Hexaware nodal center and with more than 20 companies like Wipro, Capgemini, Accenture, Gammon visiting our campus for recruitment, we ensure that all eligible candidates are placed with the best packages offered in the market.
